

Your choice, your vote, your protest

Many people are confused about the coming election. Do YOU care that there is an election? Do YOU feel betrayed by the squabbling of politicians? Do YOU think you are not important and your vote will not make any difference to your daily struggle to survive? Would you rather go and queue for water or sugar than go and vote?

WOZA would like to tell you that YOU are important - to us and to your child. You can also be important by going to VOTE on 29 March. We know that conditions are not good. People are still being beaten and arrested for nothing and we do not have a new constitution to protect us. But by voting in large numbers we can tell these thieves and opportunists to go – we want new leaders with people at heart. Go and VOTE for someone who cares about your family and will deliver social justice. Wake up early, register your PROTEST and be prepared to stand strong for your child's future.

Be ready to stand up and be counted!
